Thank you Friends!

The Friends kept busy this winter delivering books to homebound patrons from November until May. Thank you to the delivery drivers for your service to the Library and our community.

Thanks to our community!

The Library would like to thank the Kiwanis Club for their generous donation of close to \$1000 to complete our Leveled Readers collection! Make sure to check out all the new titles in our Children's section.

Thank you to the Lions Club for donating an enhanced vision desktop magnifier to make our materials more accessible to low-vision patrons. This is a much-needed resource for our Library.
